  August 19, 1995: Bosnia-Herzegovina - The negotiating team of Deputy Assistant Secretary of State Robert C. Frasure, Deputy Assistant Secretary of Defense Dr. Joseph J. Kruzel and Colonel Samuel Nelson Drew of the National Security Council notified Washington that they would travel to Sarajevo over the notorious Mount Igman road 'the only way to demonstrate their independence from Belgrade and Pale' 'the most dangerous road in Europe' (Dick Holbrooke). It was on this road that the envoys, on a mission to bring a diplomatic peace plan for Bosnia, died for the people of a country, halfway around the world, ravaged by civil war.These three men gave their lives in the pursuit of peace.Let us not forget their sacrifice.

- TRE CANTI POPOLARI ITALIANI (arrangiati) <Publisher: WICKY [WKY11019], 2011>
  I tre arrangiamenti di Canti popolari italiani si basano sulle melodie popolari di tre aree geografiche dell'Italia: Nord (La Bella Gigogin), Centro (La Società dei Magnaccioni «Ma che ce frega, ma che ce importa») e Sud (Vitti'na crozza): «La Bella Gigogin» è un canto patriottico italiano del XIX secolo che fu scritto nel 1858 dal compositore milanese Paolo Giorza che si ispirò ad alcuni canti popolari lombardo-piemontesi. «Ma che ce frega, ma che ce importa» è una delle più celebri canzoni romane cantata e conosciuta da tutti gli italiani. «Vitti'na crozza» è uno dei più famosi canti siciliani registrato per la prima volta su dischi Cetra nel 1951 dal tenore Michelangelo Verso e interpretato, tra gli altri, da Domenico Modugno e da Rosa Balistreri.

Vengono proposte delle divertenti melodie tradizionali che possono anche essere suonate con l'ausilio di una base, necessaria a gratificare i ragazzi e a farli divertire. Con l'aggiunta anche di brani tratti dal repertorio didattico più classico. I giovani chitarristi potranno così suonare musiche di Carulli, Sor, Giuliani, Aguado, conoscendo così gradualmente il mondo della chitarra classica. Alternati a questi brani si trovano musiche più attuali e conosciute: da colonne sonore come quella di Rocky a pezzi spagnoli come la Malagueña, da Blues a canzoni di cantautori moderni. Questo per contestualizzare il loro studio e renderlo attuale e sempre stimolante.Come mai (883), Crudelia De Mon (Gli Aristogatti), Bibbidi bobbidi bu (Cerentola), Gonna fly now (Rocky), Cam caminì (Mary Poppins), The Entertainer (La Stangata), Amici come prima
